Author and Perfector

Created in holy image,
a pattern of divine within the pages of the Book it is said:
Read these words but walk away unchanged
Conceited as a woman peering
over every angle of herself
and walks away forgetting her own face.
The Corinthians were admonished in regards to love:
“Now we known in part,
and foretelling comes in pieces.
When all shall be complete,
the pieces disappear.
Our vision clouded as gazing upon a murky reflection.
The day will come
when we shall see each other clearly.”
It is said: “As water reflects the face,
so one’s life reflects the heart.”
Understanding is as a light reflecting,
the image brilliant, yet construed.
Yet the more we fix our eyes upon the model
the more we clearly see,
exactly as we were meant to be.
